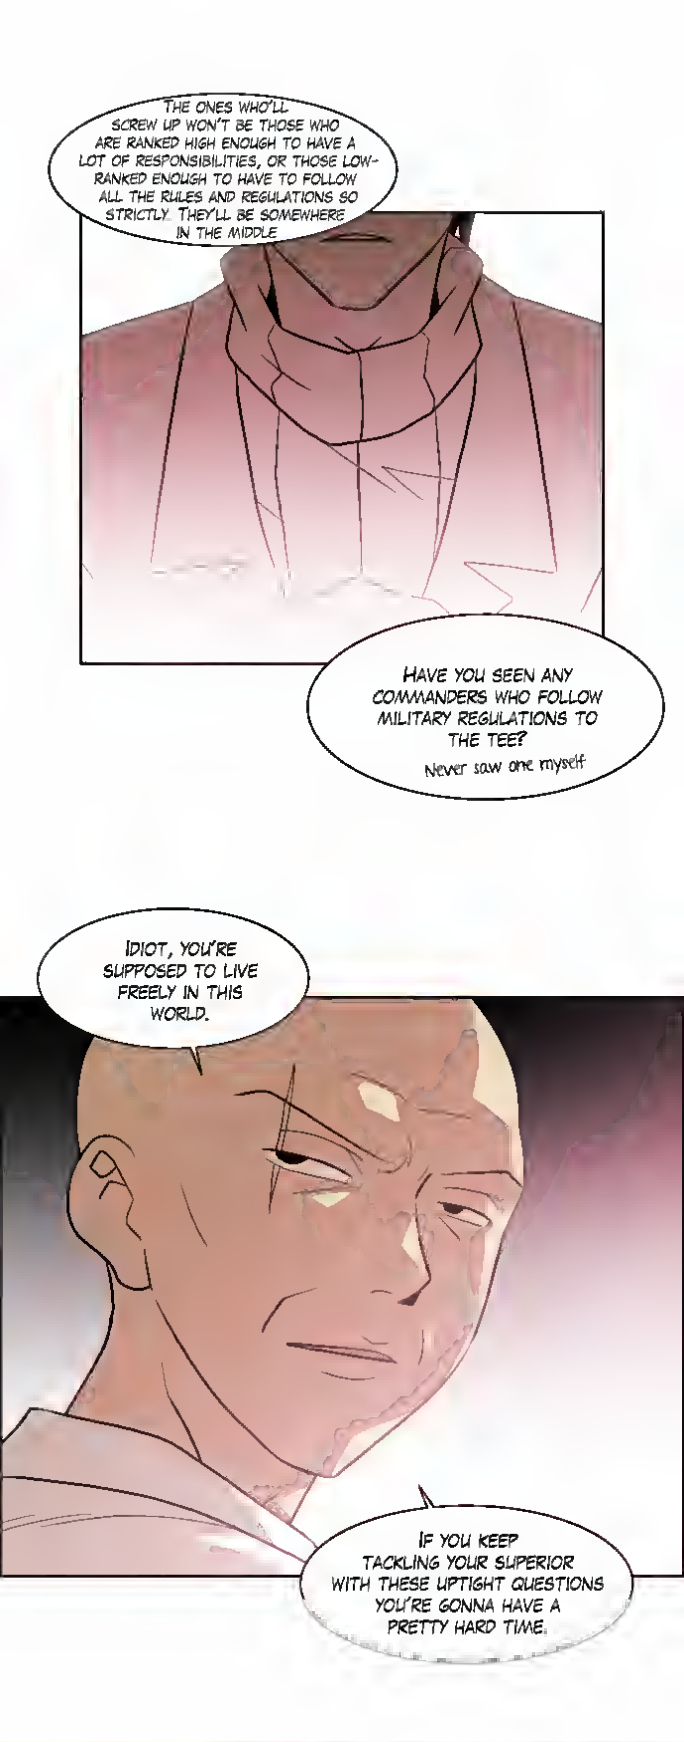
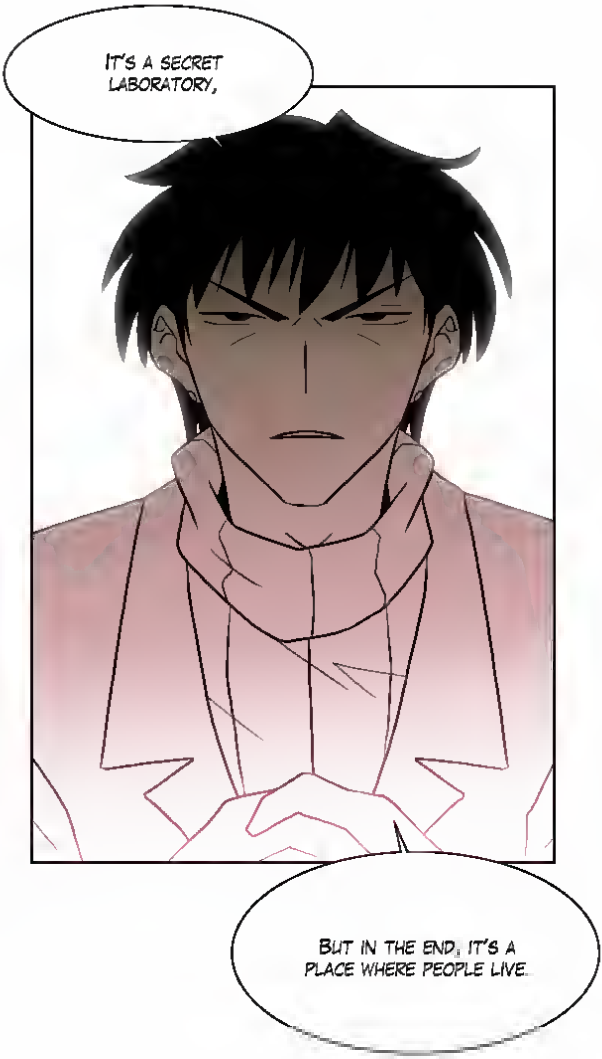
Pat-

CHIEF, I HEARD YOU'RE GOING ON LEAVE STARTING FROM TODAY?
YEAH, I BET MY WIFE WILL GRILL ME AGAIN.
She thinks I'm on a cruise.

BUT ISN'T THAT THE DIRECTION OF THE MAIN TOWER? THE REGULATIONS...
I PARKED MY CAR IN THE MAIN TOWER PARKING LOT SO THERE'S NO HELPING IT! I TOLD THEM TO EXPAND THE PARKING SPACES BEFORE!



THE ONES WHO'LL SCREW UP WON'T BE THOSE WHO ARE RANKED HIGH ENOUGH TO HAVE A LOT OF RESPONSIBILITIES, OR THOSE LOW-RANKED ENOUGH TO HAVE TO FOLLOW ALL THE RULES AND REGULATIONS SO STRICTLY. THEY'LL BE SOMEWHERE IN THE MIDDLE
HAVE YOU SEEN ANY COMMANDERS WHO FOLLOW MILITARY REGULATIONS TO THE TEE?
Never saw one myself
IDIOT, YOU'RE SUPPOSED TO LIVE FREELY IN THIS WORLD.
IF YOU KEEP TACKLING YOUR SUPERIOR WITH THESE UPTIGHT QUESTIONS YOU'RE GONNA HAVE A PRETTY HARD TIME.



It's a secret laboratory,
But in the end, it's a place where people live.

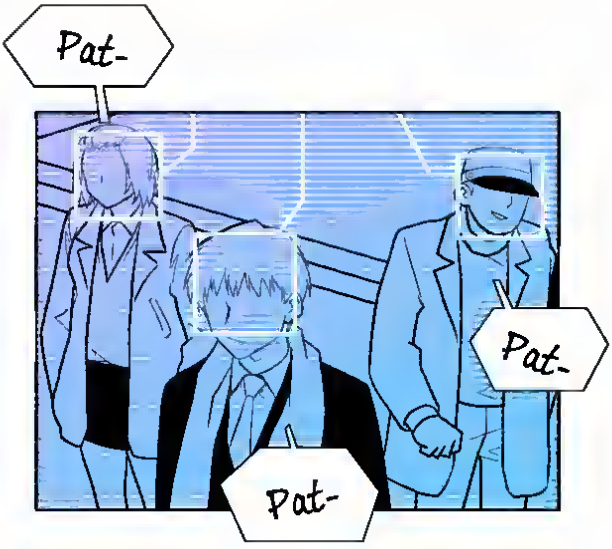
죽은 마법사의 도시

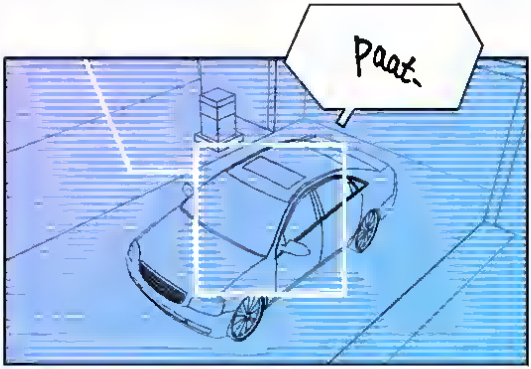
CITY OF THE DEAD SORCERER

:: Carnby ::
(Team Getname)

#12_Rescue (4)

1 week later...



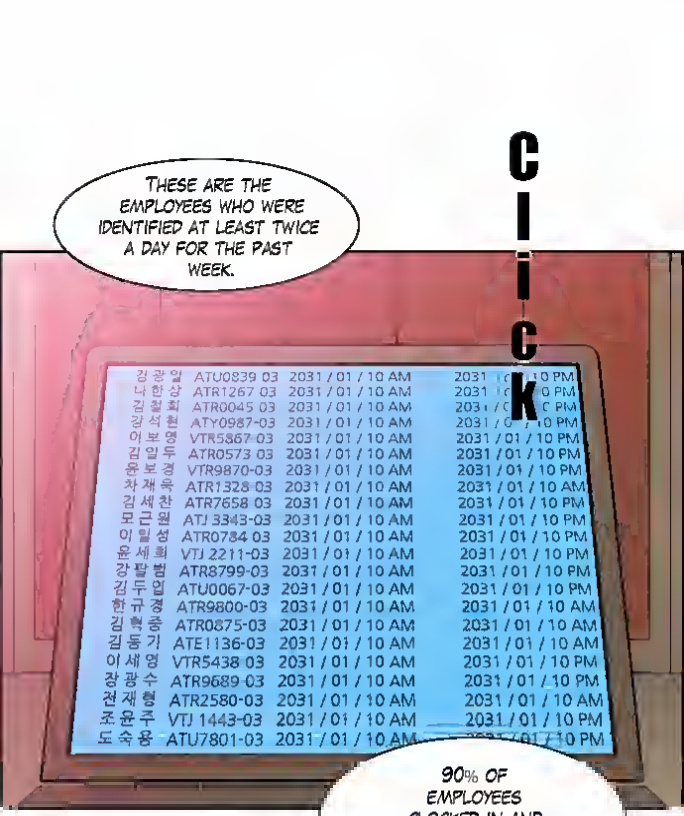


Paat.

WHOA~
THAT'S INCREDIBLE IT'S IDENTIFYING INDIVIDUAL FACES AND CLASSIFYING THEM BASED ON TIMES OF ARRIVAL.
THAT'S RIGHT,
THIS IS THE POWER OF TECHNOLOGY, SOMETHING SORCERY COULD NEVER HOPE TO ACHIEVE

We've collected a week's worth of data on the flow of people into the building.
Now all we have to do is organize it.

click-



These are the employees who were identified at least twice a day for the past week.

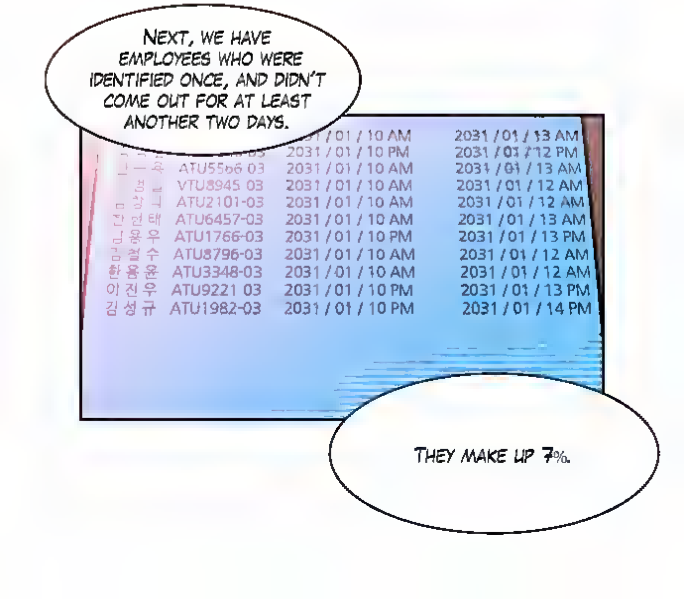
90% of employees clocked in and out at least twice every day.



Next, we have employees who were identified once, and didn't come out for at least another two days.

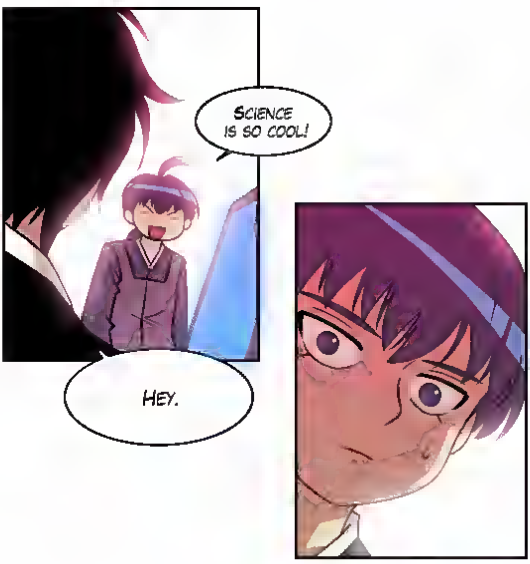
THESE GUYS STAYED IN THE BUILDING FOR FIVE DAYS OR MORE.
SO THEY MUST BE EMPLOYEES OF THE SECRET LAB.
THAT'S A HIGH POSSIBILITY.
BUT WE DON'T HAVE ENOUGH PROOF YET.

WAIT,
WE NEVER SAW THIS GUY WHEN WE FIRST BEGAN CHECKING EMPLOYEES LAST WEEK...
양철회 ATI 0000 - 05(RED)
2031 / 01 / 17 AM
AND HE SUDDENLY SHOWS UP TODAY?

ZOOM

(kim sang-su)
AB
10/2/1998
Chief of Maritime Affairs
Father: Kim Sung-Joon
Mother: Yang Hyun-Hwa
Sibling: Kim Chang-Su
South Korean Police Force

He's coming out of the building now.
Chief of Maritime Affairs... Must be a forged resume
So this means he was in the building for at least a week?

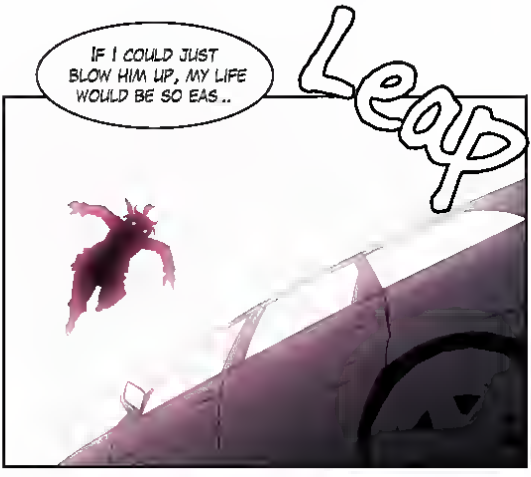


Science is so cool!
Hey.

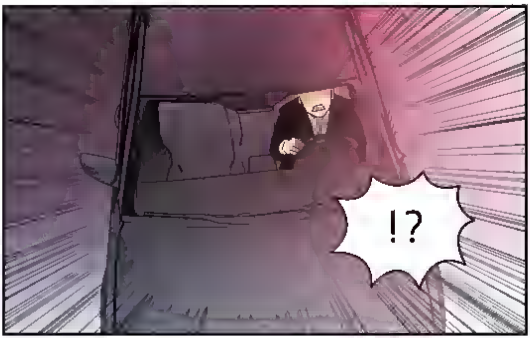
Whatcha doing, Vanguard leader?
Are you just gonna sit there in awe?

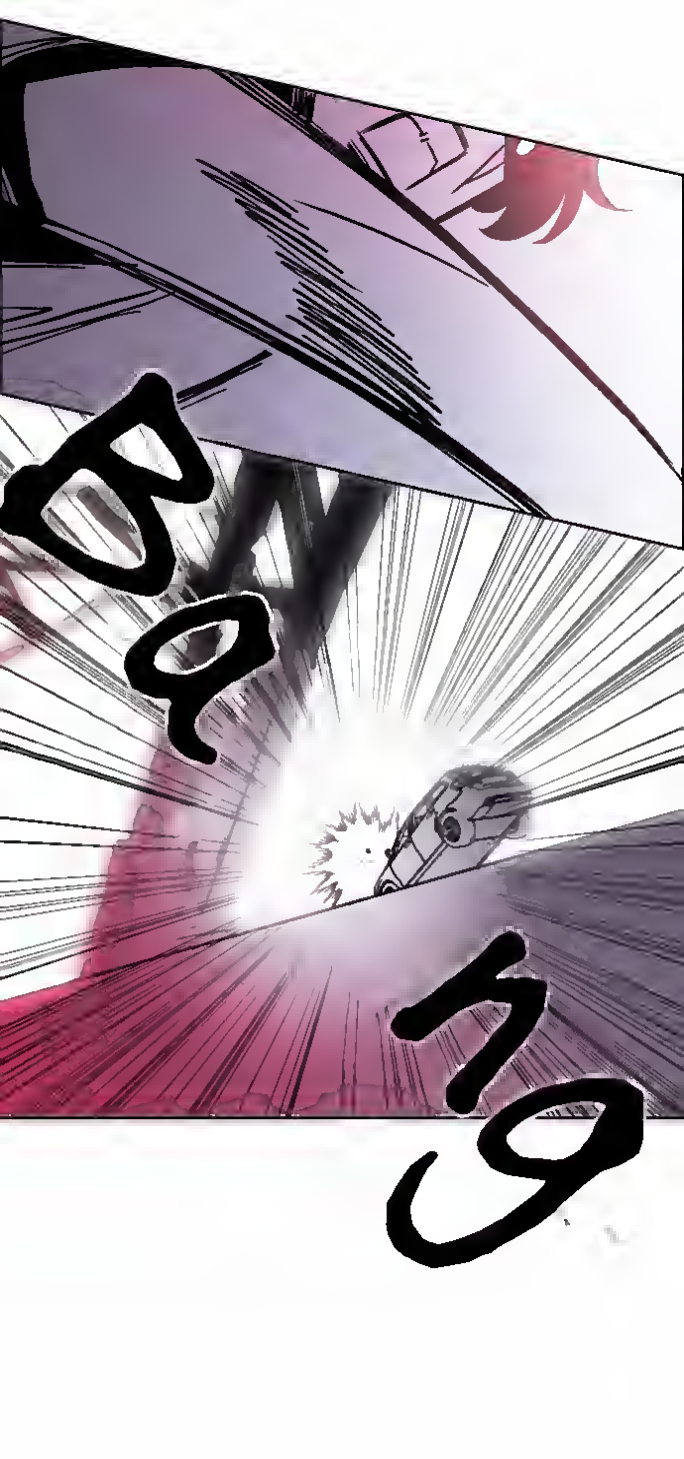
GO NAB THAT BASTARD.

Now that I'm out, I really want a beer.
The mission this time was annoying as hell.
Shitty homunculus asshole.

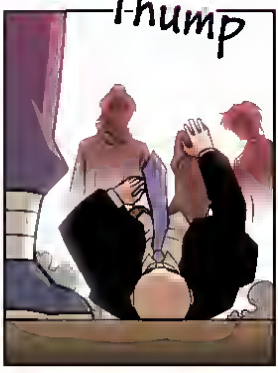


If I could just blow him up, my life would be so eas..
Leap



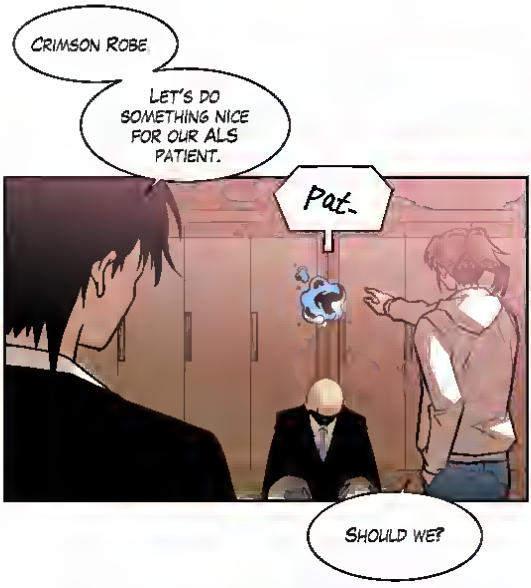


BOOM

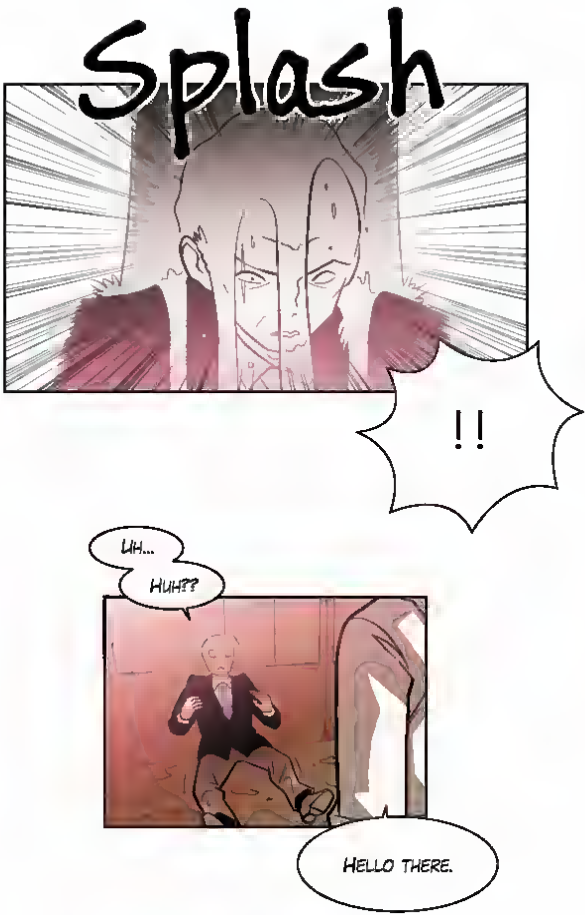


Thump

That was quick...
For a kid who can't even use teleportation



Crimson Robe
Let's do something nice for our ALS patient.
Pat-
Should we?



Splash
!!
Uh...
Huh??
Hello there.

Stare...
!!
I am Crimson Robe
Where are you keeping Cloud?

DO YOU...
THINK I'D ANSWER THAT?

OF COURSE.

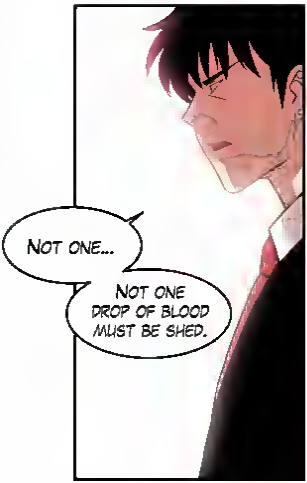
THERE ARE...

First.
We destroy everything in our path, then go in.
Second.
We go in quietly and come out quietly.

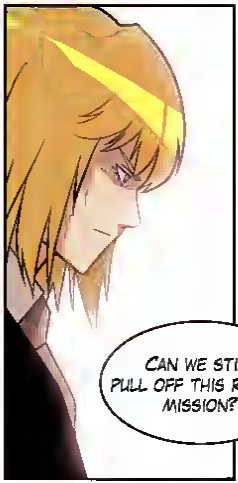
Destroy everything. I'm cool.
Destroy everything. I'm cool.

I guess I can understand the kid...
But why Chris...?

The important thing is the "issue".
The "New Year's Countdown Plan" is the Sun's brainchild.
But right now, there are some major doubts about it, and they're hesitant on how to proceed.
They need a catalyst to light the fire.
But any magic users' acts of violence against humans...
Can have counterproductive results that can become dangerous.



NOT ONE...
NOT ONE DROP OF BLOOD MUST BE SHED.



CAN WE STILL PULL OFF THIS RESCUE MISSION?

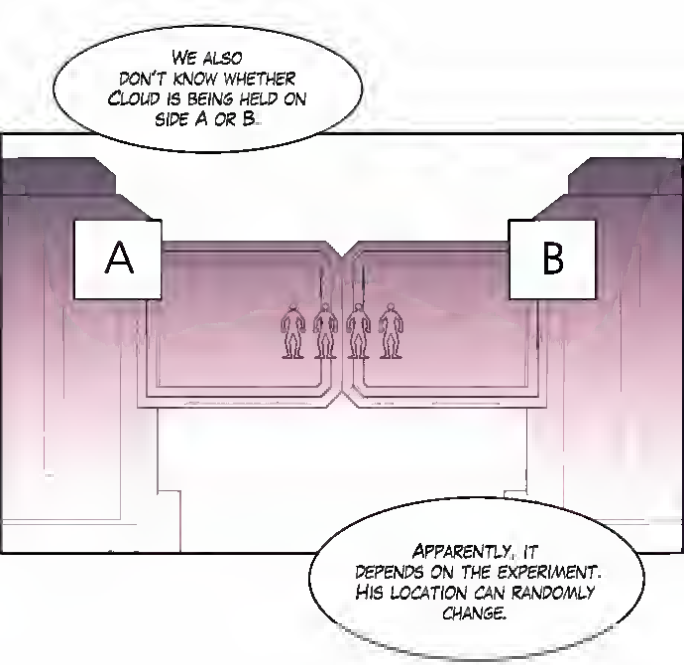
I GUARANTEE IT.
I'LL TRY MY BEST, TOO.
I CAN'T GUARANTEE ANYTHING.
HEY!!
THEN I GUESS WE'LL GO WITH PLAN TWO.

Then I guess we'll go with plan two.
Our source says Cloud is incarcerated on the highest floor.
The top floor has two huge display screens...

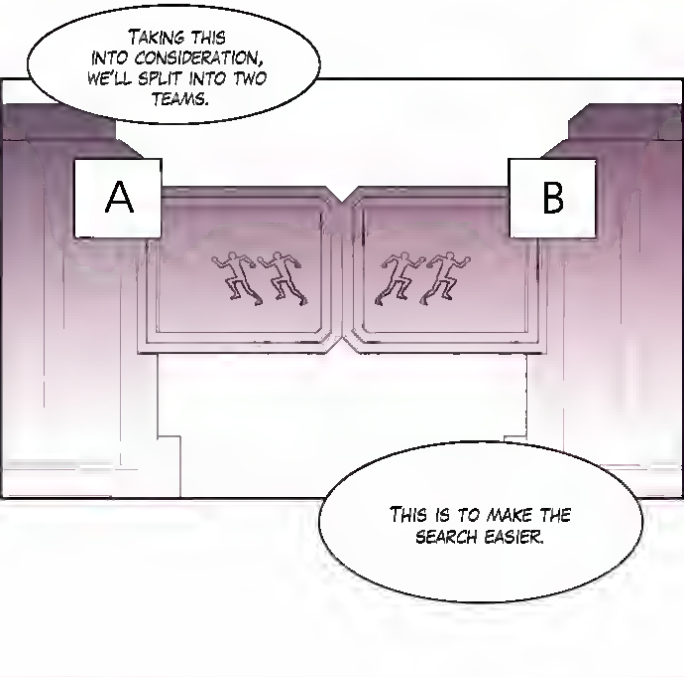
that also act as the connection between the two towers of the building.
Since there are no security sensors, this place is the most vulnerable area. The displays were superfluous additions to the building, so they are not very durable.

Is there any way we could get in quietly from the rooftop?
There is no entrance through the roof.
We can't get in unless we puncture a hole through the ceiling, which would be too conspicuous.

Isn't breaking the display screens more conspicuous?
We won't destroy it completely. We'll create a small opening, and once we're in, we'll penetrate the outer wall.



We also don't know whether Cloud is being held on side A or B.
A
B
Apparently, it depends on the experiment. His location can randomly change.



Taking this into consideration, we'll split into two teams.
A
B
This is to make the search easier.

Chris and I will take side A.
And the brat will go with Crimson Robe to side B.

To be continued
